QUESTION(S):

1. will the wall be pressure washed prior to beginning of art.

Answer:

No, the retaining walls will not be pressure washed. All work will be the sole responsibility of the artist as this project will be all inclusive. Therefore, the cost proposal should include the price for all labor, materials, fees, etc.

2. will it be primed white or should the artist include that in their time/budget?

Answer:

No, the City will not prime the walls as this should be included in the cost proposal and will be the responsibility of the awarded artist.
