

The City of Forest Park knows our employees are crucial to our success. That's why we provided you with an excellent, diverse benefits package that helps protect you and your family now and into the future.

The benefits package includes a variety of coverages, including Cigna Medical, Cigna Dental and Vision, and Lincoln Life and AD&D Coverage.

All changes to benefit elections will be effective on July 1, 2023.

Employees enrolled in one of our Cigna Medical plans are eligible for the City's Health Reimbursement Arrangement (HRA) administered by MedCom. An HRA is an employer health benefit plan that reimburses employees for specified amounts of their out-of-pocket medical expenses.

\*This Benefit Guide outlines the health and welfare plans offered to you and your family. It contains general information and is meant to provide a brief overview. For complete details regarding each benefit plan offered, please refer to the individual plan documents, as the information contained herein is for illustrative purposes. More details can be found in the plan-specific Summary Plan Description(s) and/or Summary of Coverage. In the case of a discrepancy, the plan-specific documents will prevail.

# **Eligibility + Enrolling**

## Who is eligible to join the Benefits Plan?

You and your dependents are eligible to join the City of Forest Park health and welfare benefit plan if you are a full-time employee regularly scheduled to work 30 hours per week or more. You must be enrolled in the plan to add dependent coverage.

### Who is an eligible dependent?

- · Your spouse to whom you are legally married
- Your dependent child under the maximum age specified in the Carriers' plan documents, including
  a natural child, adopted child, stepchild, or child for whom you have been appointed as the legal
  guardian.

\*Your child's spouse or a child for whom you are not the legal guardian are not eligible.

The Dependent Maximum Age Limit is up to age 26. The dependent does not need to be a full-time student; does not need to be an eligible dependent on the parent's tax return; is not required to live with you; and may be married or unmarried. Once the dependent reaches age 26, coverage will terminate on the last day of the birth month.

A totally disabled child who is physically or mentally disabled prior to age 26 may remain on the plan if the child is primarily dependent on the enrolled member for support and maintenance.

### Annual Open Enrollment

Each year during the annual Open Enrollment Period, you are given the opportunity to make changes to your current benefit elections.

During Open Enrollment, you may:

Enroll eligible dependents

Elect coverage

Drop covered dependents

Change any plan option

Discontinue coverage

### When do benefits become effective?

Your benefits become effective after 30 days as a full-time employee with the City of Forest Park.

## What are qualifying life events?

You are allowed to make changes to your current benefit elections during the plan year if you experience an IRS-approved qualifying life event. The change to your benefit elections must be consistent with and on account of the qualifying life event.

Please note loss of coverage due to nonpayment or voluntary termination of other

coverage outside a spouse's or parent's enrollment is not an IRS-approved qualifying

life event, and you do not qualify for a special

enrollment period.

IRS-approved qualifying life events include:

- Marriage, divorce, or legal separation
- Death of a dependent
- Birth or adoption of a child or placement of a child for adoption
- Change in employment status, including loss or gain of employment, for your spouse, or dependent
- Change in work schedule, including switching between full-time and part-time status, by you, your spouse or a dependent
- Change in residence or work site for you, your spouse, or a dependent that results in a change of eligibility
- If you or your dependents lose eligibility for Medicaid or the Children's Health Insurance Program (CHIP) coverage
- If you or your dependents become eligible for a state's premium assistance subsidy under Medicaid or CHIP
- Open Enrollment for a spouse or parent

If you have a life status change, you must notify Human Resources within 60 days for changes in life status due to a Medicare or CHIP event and within 31 days of the other events.

## **How to Enroll**

## **Enrolling with ADP**

The City of Forest Park employees will be making benefit elections through Web Benefits Design. Please note that employees must log in to register within 30 days from their date of hire. Failure to do so may result in a loss of benefit eligibility. Instructions on how to enroll are as follows:

## Getting started

Log in to your ADP account. This is the same account you use for payroll purposes. At the bottom of the homepage, there is an Open Enrollment Portal link that will take you directly to Web Benefits Design.

First time users will need to register through the Web Benefits Design portal. You will need the following information to register:

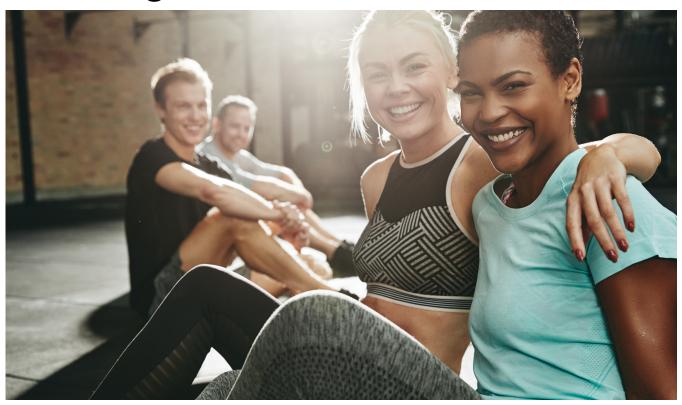

Last name Date of birth Last four digits of SSN

You will then provide your email address. Please note this is the email you want to use upon returning to the portal. It can be your work or personal email address.

### To enroll

- 1. Upon logging in, click on the Enroll Now option.
- 2. Please review the information under the My Profile section carefully and make any applicable updates. All sections with the red asterisk (\*) must be completed.
- 3. You will add your spouse and dependent information in the My Family section. This section must be completed to enroll your spouse and dependent(s). Ensure you have the personal data, including Social Security Number and dates of birth, for your spouse and dependent(s), which will be required for their enrollment.
- 4. Steps 3-16 will walk you through all available benefits. For details on each plan, click the Learn More option for benefit summaries.
- 5. After your basic life and voluntary life elections, you must add beneficiary information. Your beneficiary would receive the benefit payment in the event of your death.
- 6. Continue to elect benefits through all benefit plan options.
- 7. Step 17 will provide your initial COBRA notification. This required notice is for informational purposes only, as you will be COBRA-eligible if enrolled in COBRA-eligible benefits.
- 8. Lastly, carefully review your information, your family information, and the benefits you enrolled in. If you need to make a change, click on the Quick Edit option to link directly to that benefit. At the bottom of the screen, you must check the Agree box before completion.

# **Selecting Your Plan**

## What to consider

While a lot can go into choosing a health plan, these four quick checkpoints are a good starting place:

What to consider	What it means	How to decide
Deductible	The amount you pay before your health plan covers costs for medical services.	If you're likely to have surgery or a lot of medical care expenses, you may want a lower deductible.
Providers/Provider Networks	Your doctors - both primary care and specialists.	You may want to choose a plan where your provider is in-network to avoid extra costs.
Network	The hospitals, health care providers, and labs that Cigna has negotiated lower rates with to provide health care services.	Some networks may be larger than others or may include different choices of providers in your local area. It's important to understand these differences when choosing a plan to meet your specific needs. Also, when you select a plan, make sure your provider is part of the network associated with that plan.
Prescriptions	Any medications you take that have been prescribed by your doctor.	Different plans may have different copays or coinsurance for covered prescriptions. Review the plan to understand how your prescriptions are covered.

## **Find a Doctor**

## Finding care in our directory is easy

- Go to myCigna.com, and click "Find a Doctor" at the top of the screen. Then, under "How are you covered?" select "Employer or School." If you're already a Cigna customer, log in to myCigna.com or use the myCigna app to search your current plan's network. To search other networks, use the Cigna.com directory.
- 2. Change the geographic location to the city, state, or zip code you want to search. Select the search, type, and enter a name, specialty, or other search term. Click on one of our suggestions or the magnifying glass icon to see your result.
- 3. Answer any clarifying questions, and then verify where you live (as that will determine the networks available).
- 4. Optional: Select one of the plans offered by your employer during open enrollment.

Questions? Call 866-494-2111.

# **Medical Option 1:**

## LocalPlus Plan

The HRA reimbursement will reduce your deductible back to \$0 for you and covered dependents.

Plan Highlights	In-Network - You Pay	Out-of-Network - You Pay
Deductible	\$500 Individual \$1,500 Family	Not applicable
Coinsurance	0% after deductible	Not applicable
Annual Out-of-Pocket Maximum	\$6,600 Individual \$13,200 Family	Not applicable
Primary Care Physicians Office Visit	\$20 copay	Not covered
Specialist Office Visit	\$40 copay	Not covered
Urgent Telemedicine - MDLive	\$0 copay	Not covered
Routine Telemedicine - MDLive	\$20 PCP copay \$40 specialist copay (Primary Care, Behavioral Care, Dermatology)	Not covered
Preventive Care Services	Plan pays 100%	Not covered
Laboratory Diagnostics & X-Ray	Deductible, then 0%	Not covered
Complex Imaging Services (CT Scans, PET Scans & MRI's)	Deductible, then 0%	Not covered
Hospital Inpatient Care	Deductible, then 0%	Not covered
Outpatient Surgery	Deductible, then 0%	Not covered
Emergency Room	\$250 copay	Paid as In-Network
Urgent Care	\$60 copay	Deductible, then 0%

Prescription Drugs	You pay either a copay and/or coinsurance per the assigned prescription drug tier, which can be found in the prescription drug formulary. This plan meets the CMS standard for creditable prescription drug coverage. Quantity Limits: Retail - 30-day supply, Mail-Order - 90-day supply	
Tier 1 - Low-cost generic and brand-name drugs*	Retail: \$10 copay Mail Order: \$25 copay	Not covered
Tier 2 - Higher-cost generic and brand-name drugs*	Retail: \$25 copay Mail Order: \$63 copay	Not covered
Tier 3 - High-cost generic and brand-name drugs*	Retail: \$50 copay Mail Order: \$125 copay	Not covered
Tier 4 - Specialty drugs	Retail: 20% coinsurance up to a \$200 maximum Mail Order: Not covered	Not covered

<sup>\*</sup>When you request a brand-name when a generic equivalent is available, you pay the brand name copay plus the difference in cost of the generic and brand name drug unless the provider indicates "Dispense as Written - DAW."

The prescription drug coverage provided by the Cinga LocalPlus medical plan is expected to pay out as much as standard Medicare prescription drug coverage pays. This is important because members who enroll in a Medicare prescription drug plan after their initial eligibility period may pay a higher premium (a penalty) if enrolled in a group health plan with non-creditable prescription drug coverage.

# **Medical Option 2:**

### **OAPin Plan**

The HRA reimbursement will reduce your deductible back to \$0 for you and covered dependents.

Plan Highlights	In-Network - You Pay	Out-of-Network - You Pay
Deductible	\$1,000 Individual \$3,000 Family	Not applicable
Coinsurance	0% after deductible	Not applicable
Annual Out-of-Pocket Maximum	\$6,600 Individual \$13,200 Family	Not applicable
Primary Care Physicians Office Visit	\$25 copay	Not covered
Specialist Office Visit	\$50 copay	Not covered
Urgent Telemedicine - MDLive	\$0 copay	Not covered
Routine Telemedicine - MDLive	\$25 PCP copay \$50 specialist copay (Primary Care, Behavioral Care, Dermatology)	Not covered
Preventive Care Services	Plan pays 100%	Not covered
Laboratory Diagnostics & X-Ray	Deductible, then 0%	Not covered
Complex Imaging Services (CT Scans, PET Scans & MRI's)	Deductible, then 0%	Not covered
Hospital Inpatient Care	Deductible, then 0%	Not covered
Outpatient Surgery	Deductible, then 0%	Not covered
Emergency Room	\$250 copay	Paid as In-Network
Urgent Care	\$60 copay	Deductible, then 0%

Prescription Drugs	You pay either a copay and/or coinsurance per the assigned prescription drug tier, which can be found in the prescription drug formulary. This plan meets the CMS standard for creditable prescription drug coverage.  Quantity Limits: Retail - 30-day supply, Mail-Order - 90-day supply		
Tier 1 - Low-cost generic and brand-name drugs*	Retail: \$10 copay Mail Order: \$25 copay	Not covered	
Tier 2 - Higher-cost generic and brand-name drugs*	Retail: \$25 copay Mail Order: \$63 copay	Not covered	
Tier 3 - High-cost generic and brand-name drugs*	Retail: \$50 copay Mail Order: \$125 copay		
Tier 4 - Specialty drugs	Retail: 20% coinsurance up to a \$200 maximum Mail Order: Not covered	Not covered	

<sup>\*</sup>When you request a brand-name when a generic equivalent is available, you pay the brand name copay plus the difference in cost of the generic and brand name drug unless the provider indicates "Dispense as Written - DAW."

The prescription drug coverage provided by the Cinga OAPIN medical plan is expected to pay out as much as standard Medicare prescription drug coverage pays. This is important because members who enroll in a Medicare prescription drug plan after their initial eligibility period may pay a higher premium (a penalty) if enrolled in a group health plan with non-creditable prescription drug coverage.

# **Medical Option 3:**

### **OAP Plan**

The HRA reimbursement will reduce your deductible back to \$0 for you and covered dependents.

Plan Highlights	In-Network - You Pay	Out-of-Network - You Pay
Deductible	\$500 Individual \$1,500 Family	\$1,000 Individual \$3,000 Family
Coinsurance	0%	30%
Annual Out-of-Pocket Maximum	\$6,600 Individual \$13,200 Family	\$6,600 Individual \$13,200 Family
Primary Care Physicians Office Visit	\$15 copay	Deductible, then 30%
Specialist Office Visit	\$25 copay	Deductible, then 30%
Urgent Telemedicine - MDLive	\$0 copay	Not covered
Routine Telemedicine - MDLive	\$15 PCP copay \$25 specialist copay (Primary Care, Behavioral Care, Dermatology)	Not covered
Preventive Care Services	Plan pays 100%	Deductible, then 30%
Laboratory Diagnostics & X-Ray	Deductible, then 0%	Deductible, then 30%
Complex Imaging Services (CT Scans, PET Scans & MRI's)	Deductible, then 0%	Deductible, then 30%

Tier 2 - Higher-cost generic and brand-name drugs*	Retail: \$25 copay Mail Order: \$63 copay	Retail: \$25 copay Mail Order: \$63 copay	
Tier 3 - High-cost generic and brand-name drugs*	Retail: \$50 copay Retail: \$50 copay Mail Order: \$125 copay Mail Order: \$125 cop		
Tier 4 - Specialty drugs	20% coinsurance up to a \$200 maximum, Mail order not covered		

<sup>\*</sup>When you request a brand-name when a generic equivalent is available, you pay the brand name copay plus the difference in cost of the generic and brand name drug unless the provider indicates "Dispense as Written - DAW."

The prescription drug coverage provided by the Cinga OAP medical plan is expected to pay out as much as standard Medicare prescription drug coverage pays. This is important because members who enroll in a Medicare prescription drug plan after their initial eligibility period may pay a higher premium (a penalty) if enrolled in a group health plan with non-creditable prescription drug coverage.

## **Prescription Resources**

## Know which medications your plan covers

Whether you're taking medications now or in the future, knowing which medications your plan covers is important. Cigna makes it easy by providing up-to-date drug lists online.

Follow these simple steps to determine how your plan covers your medication(s).

- 1. Go to Cigna.com/PDL.
- 2. Scroll down until you see a pdf of the Cinga 4-Tier Prescription List (all specialty medications covered on Tier 4).

3. Then look for your medication name. Medications are listed by the condition they treat, then listed alphabetically within tiers (or cost-share levels).

View your drug list 24/7 at Cigna.com/druglist.

Your plan uses the Cigna Advantage 4-Tier prescription drug list.

## Cigna 90 Now Program

Consider using Express Scripts Pharmacy. They help make things easy by putting everything at your fingertips.

Home delivery is a convenient option when you're taking medication regularly. With just a few simple clicks of your mobile phone, tablet, or computer, your essential medications will be on their way to your door (or the location of your choice). To start using home delivery, go to myCigna.com/choosehomedelivery and follow the online instructions for moving your prescription from your retail pharmacy.

- Quickly order, manage, and track your medications on your phone or online
- Standard shipping at no extra cost
- Fill up to a 90-day supply at one time
- Helpful pharmacists are available 24/7
- Automatic refills and refill reminders so you don't miss a dose
- Payment options if you need help paying for your medications

To learn more, go to Cigna.com/homedelivery.

# **Prescription Resources**

## Prescription Alternatives with GoodRx App

Find the lowest price on prescriptions right from your phone or iPad.

Our free, easy-to-use mobile apps feature:

- Instant access to the lowest prices for prescription drugs at more than 75,000 pharmacies
- Coupons and savings tips that can cut your prescription costs by 50% or more
- Side effects, pharmacy hours and locations, pill images, and more

Download the GoodRx app on your Android or Apple device.

## Blink Health, Lowest Rx Prices Every Day

Blink Health is a digital pharmacy that provides your lowest prescription price, with free home delivery for select medications.

Blink negotiates with the pharmacy industry so that you can get the same medication at much lower prices. Just order online to save. Then choose pickup or delivery to get your medication.

- 1. Order online: Search for your medication to find your lowest price.
- Pay online: Pay online to save and checkout securely. Choose pickup or delivery.
- 3. Pickup or receive free delivery: Blink will send you proof of purchase for pickup or receive free home delivery.

Visit blinkhealth.com to get started.

## **Virtual Care Resources**

## MDLIVE for Cigna

Finding time for the health care you need is not always easy. After all, doctors' appointments traditionally involve time and travel. That can lead to putting off care until problems become more serious and potentially expensive.

That's why Cigna has partnered with MDLIVE to offer a comprehensive suite of convenient virtual care options - available by phone or video whenever it works for you. MDLIVE board-certified doctors, dermatologists, psychiatrists, and licensed therapists have an average of over ten years of experience and provide personalized care for hundreds of medical and behavioral health needs.

## **MDLIVE Primary Care**

Preventive care, routine care, and specialist referrals

- Preventive care checkups/wellness screenings are available at no cost to identify conditions early
- Routine care visits allow you to build a relationship with the same primary care provider (PCP) to help manage conditions
- · Prescriptions are available through home delivery or at local pharmacies, if appropriate
- · Receive orders for biometrics, blood work, and screenings at local facilities

## **MDLIVE Urgent Care**

On-demand care for minor medical conditions

- 24/7/365, including holidays
- · Care for hundred of minor medical conditions
- A convenient and affordable alternative to urgent care centers and the emergency room
- Prescriptions available, if appropriate

## **Virtual Care Resources**

### MDLIVE Behavioral Care

Talk therapy and psychiatry from the privacy of home

- Access to psychiatrists and therapists
- Schedule an appointment that works for you
- Option to select the same provider for every session
- Care for issues such as anxiety, stress, life changes, grief, and depression

## **MDLIVE** Dermatology

Fast, customized care for skin, hair, and nail conditions - no appointment required

- Board-certified dermatologists review pictures and symptoms; prescriptions available, if appropriate
- Care for common skin, hair, and nail conditions, including acne, eczema, psoriasis, rosacea, suspicious spots, and more
- Diagnosis and customized treatment plan, usually within 24 hours

Visit myCigna.com to make an appointment for virtual care today.

### 3 Easy steps to connect to care

Virtual care visits are convenient and easy. To schedule an appointment:

- 1. Access MDLIVE by logging into myCigna.com and clicking "Talk to a doctor." You can also call MDLIVE at 888-726-3171. (No phone calls for virtual dermatology.)
- 2. Select the type of care you need: medical care or counseling; the cost will be displayed on myCigna. com and MDLIVE.
- 3. Follow the prompts for an on-demand urgent care visit, to make an appointment for primary or behavioral care, or to upload photos for dermatology care.

Appointments are available via video or phone whenever it's most convenient for you. Virtual dermatology does not require an appointment.

### A smarter way to better health

Your health is a work in progress that needs your consistent attention and support. Each choice you make for yourself and your family is part of an ever-changing picture. Taking steps to improve your health such as going for annual physicals and living a healthy lifestyle can make a positive impact on your well-being.

It's up to you take responsibility and get involved, and we are pleased to offer programs that will support your efforts and help you reach goals.

### Preventive health care services

Preventive care includes services like checkups, screenings, and immunizations that can help you stay healthy and may help you avoid or delay health problems. Many serious conditions such as heart disease, cancer, and diabetes are preventable and treatable if caught early. It's important for everyone to get the preventive care they need.

See the following pages for the services and supplies considered preventive care under most health plans. Coverage for services recommended specifically for "men" or "women" is provided based on the anatomical characteristics of the individual and not necessarily the gender of the individual as indicated on the claim and/or an enrollment form.

## Understanding what's covered

Generally speaking, if a service is considered preventive care, it will be covered at 100%. If it's not, it may still be covered subject to a copay, deductible, or coinsurance. The Affordable Care Act (ACA) requires that services considered preventive care be covered by your health plan at 100% in-network, without a copay, deductible, or coinsurance. To get specifics about your plan's preventive care coverage, call the customer service number on your member ID card. You may want to ask your doctor if the services you're receiving at a preventive care visit (such as an annual checkup) are all considered standard preventive car.

If any service performed at an annual checkup is a result of a prior diagnosed condition, the office visit may not be processed as a preventive visit and you may be responsible for a copay, coinsurance, or deductible. To learn more about the ACA or preventive care and coverage, visit www.healthcare.gov.

## Wellness Exams

Service	Group	Age, Frequency
Well-baby, well-child, well-person exams including annual well-woman exam (includes height, weight, head circumference, BMI, blood pressure, history, anticipatory guidance, education regarding risk reduction, psychosocial/behavioral assessment)	• • •	<ul> <li>Birth, 1, 2, 3, 4, 6, 9, 12, 15, 18, 24, and 30 months</li> <li>Additional visits at 2-4 days for infants discharged less than 48 hours after delivery</li> <li>Ages 3 to 21, once a year</li> <li>Ages 22 and older, periodic visits as doctor advises</li> </ul>

## Routine immunizations covered under preventive care

D	
Diphtheria, Tetanus Toxoids and Acellular Pertussis (DTap, Tdap, Td)	Meningococcal (meningitis)
Haemophilus influenzae type b conjugate(Hib)	Pneumococcal (pneumonia)
Hepatitis A (Hep A)	Poliovirus (IPV)
Hepatitis B (Hep B)	Rotavirus (RV)
Human papillomavirus (HPV)	Varicella (chickenpox)
Influenza vaccine	Zoster (shingles)
Measles, mumps and rubella (MMR)	

You may view the immunization schedules on the CDC website: cdc.gov/vaccines/schedules/.

## Health screenings and interventions

Service	Group	Age, Frequency
Abnormal blood glucose and type 2 diabetes screening/counseling	• •	Adults ages 40-70 who are overweight or obese; women with a history of gestational diabetes mellitus

## **Wellness Benefit**

## Cigna MotivateMe Program®

MotivateMe is an incentive program that helps you change unhealthy behaviors and rewards you for it. And that's important, because taking healthy actions will help reduce your risk of illness, disease and costly medical treatment. With MotivateMe, you'll work toward achieving real results that mean a real, healthy change for you.

Take care with things like a health assessment or biometric screening and you may earn awards, such as lower plan premiums or deposits into your health fund account or paycheck. The more you do, the more you earn. Of course, the best reward is your good health.

### A uniquely personalized experience

Anyone who's ever tried to undo a bad habit or maintain a new, healthy one knows how hard it can be. It takes time, determination and, sometimes, your own personal cheering section.

To help make it easy, our health coaches and customer service representatives will be there to support you throughout - online or by phone. We'll remind you about which health and wellness activities and programs you're eligible for, suggest helpful online resources like our MotivateMe incentive page, and encourage you - from start to finish.

## I'm ready. How do I start?

Visit myCigna.com > Incentive Awards Program. There, you'll find a list of healthy actions and goals, details on how to get started, and instructions on how to earn and redeem your rewards. You can also view your incentives information by downloading the myCigna Mobile App.

## **Wellness Benefit**

### Take care. Get rewarded.

Get rewarded for the healthy actions you take. The more you do, the more you earn.

Goal Type	Description	Award Type	Timing
Get a personalized health assessment	A confidential questionnaire that asks you about your health and well-being and provides a personalized assessment of your current health.	\$25 gift card	Visit myCigna.com to complete by 6/30/2024 to earn your reward.
Complete my annual physical (preventive exam)	A preventive exam that's used to reinforce good health, address potential, and chronic problems.	\$50 gift card	Complete your annual physical or OB/GYN exam by 6/30/2024 to earn your reward.
Get my annual OB/GYN exam (preventive exam)	A preventive exam that can identify early ovarian and cervical cancers, HPV (human papilloma virus), breast cancer, and more.	\$50 gift card	Complete your annual physical or OB/GYN exam by 6/30/2024 to earn your reward.
Complete 9 lessons of the 16-week Cigna Diabetes Prevention Program	More than 1 out of 3 people are at risk for diabetes. Are you? This online program, available through Cigna, in collaboration with Omada, helps you make lifestyle changes that can reduce risks. Get started now.	\$50 gift card	Visit myCigna.com and complete a 1-minute screening questionnaire to see if you're eligible to participate in this program.
Get connected! Have fun and earn rewards on Apps & Activities	Explore popular health devices and apps to help you stay motivated and challenge yourself. Earn 1,000 points and get an award.	\$20 gift card per goal; max 3 goals	Visit myCigna.com to complete by 6/30/2024 to earn your reward.

For participants - if you think you might be unable to meet a standard for a reward under this wellness program, you might qualify for an opportunity to earn the same reward by different means. Contact Cigna by calling the number on the back of your ID card and they will work with you and, if you wish, your doctor.

For participants who may have an impairment - if you are unable to participate in any of the program events, activities, or goals, because of a disability you may be entitled to a reasonable accommodation for participation, or an alternative standard for rewards. For work-site accommodations please contact your employer's Human Resources department. For accommodations with online, phone, or other Cigna programs, please contact Cigna by calling the number on the back of your ID card.

## **Dental Benefits**

## Cigna Dental Plan

The City of Forest Park provides eligible employees with a dental plan administered by Cigna. Enrolled employees may elect coverage for their dependents. Dependent children are covered up to age 26, regardless of student status.

The dental plan provides In-Network and Out-of-Network benefits. By using In-Network dentists, you will have lower out-of-pocket expenses. Cigna dentists have agreed to accept as payment in full a discounted fixed fee schedule for the services they perform and will never collect more than the Cigna fee for the procedure performed - no "balance billing." You have the freedom of choice to use an Out-of-Network provider. Remember that Out-of-Network providers can balance bill you for charges above the allowed amount covered by Cigna.

Waiting periods may apply to coverage if not enrolled during the initial enrollment period (late entrant).

To find a dentist, log on to cigna.com or download the Cigna app.

Benefits	In-Network (You Pay)	Out-of-Network (You Pay)
Deductible (waived for Preventive)		
Individual	\$50	\$50
Family	\$150	\$150

Per insured person	\$2,000	\$2,000
Diagnostic & Preventive		
Exams, X-Rays, Cleanings, Fluoride Treatment, Sealants	100% (deductible waived)	100% (deductible waived)
Basic Services		
Fillings, Simple Extractions, Endodontics, Periodontics, Oral Surgery	80% after deductible	80% after deductible
Major Services		
Crowns, Inlays, Onlays, Dentures, Bridges, Implants	60% after deductible	60% after deductible
Orthodontia		
Coverage for both Child & Adult	50% to a lifetime maximum of \$2,000	50% to a lifetime maximum of \$2,000
How are claims paid?	Negotiated Fee Schedule	90th UCR

# Cigna Dental Virtual Care

## The Dentist will see you now

Toothaches, chipped teeth, and oral infections don't care what time of day it is. But neither do the Cigna Dental Virtual Care dentists. If you need dental care and are unable to reach your regular provider, you now have the option to consult with a dentist through a video call. The best part? Cigna Dental Virtual Care is available 24 hours a day, seven days a week, 365 days a year!

### Convenient dental consults from home

While we recommend contacting your dentist first to see if they can provide virtual care, we recognize this may not always be possible. That's why we've partnered with The TeleDentists, a virtual dental care company serving customers since 2018. The Teledentists connects you to a licensed dentist who, through a video call, can help address urgent dental situations like toothaches, infection, swelling, bleeding, and more. They can also prescribe medication to be filled at your local pharmacy if necessary.

The nature of this type of care delivery precludes dentists from performing more involved procedures, but if the dentist determines such care is needed, they can help guide the next steps.

### Cost and Claim Info

Cigna Dental Virtual Care consults are processed as in-network claims on your plan and have no co-pay or coinsurance costs. Although Cigna Dental Virtual Care consults do not apply to frequency limits you may have on your plan, they do apply to your plan's annual maximum. If applicable they can help guide next steps.

#### How to Access Cigna Dental Virtual Care

dental care need, log on to your myCigna.com account and follow the prompts to the virtual care portal.

- You must connect to the portal via your myCigna.com account to use the service without entering a payment method.
- Once you've entered the online portal, you
  will be prompted to create an account on
  "The Teledentists" website and provide basic
  health information.
- You will be prompted to download and install a video chat application and then confirm whether you want to see a dentist now or schedule an appointment for a later time.
- When you are ready to consult with a dentist, you'll enter a virtual waiting room where a dentist will connect with you in ten minutes or less.

## **Vision Benefits**

## Cigna Vision Plan

Your eyes deserve the best care to keep them healthy year after year. Regular eye examinations may determine your need for corrective eye wear and detect general health problems in their earliest stages. Our vision plan through Cigna provides coverage (network serviced by EyeMed) and discounts for supplies and materials such as eyeglasses and contact lenses.

Eligible employees may elect coverage for themselves, a spouse, and eligible dependent children.

Services	In-Network	Out-Of-Network	
Eye Exam			
Routine exam with dilation	\$10 copay	\$45 allowance	
Standard contact lens fit and follow-up	\$55 copay	Discount available	
Frames			
Any available frame at provider location	\$150 frame allowance 20% off balance over allowance	\$83 allowance	
Standard Plastic Lenses			
Single	\$20 copay	\$40	
Bifocal	\$20 copay	\$65	
Trifocals	\$20 copay	<b>\$75</b>	
Lens Options			
Standard scratch-resistant coating	\$15 copay	Not covered	
Standard polycarbonate	\$40 copay	Not covered	
Transition lenses	\$75 copay	Not covered	
Contact Lenses: (Material Only)			
Conventional or disposable	\$150 allowance	\$120 allowance	
Medically necessary	Paid in full	\$210 allowance	
Frequency			
Examinations	12 months*		
Frames	12 months*		
Eyeglass lenses	12 months*		
Contact lenses	12 months*		

<sup>\*</sup>You can elect contact lenses in lieu of eyeglass lenses. You cannot purchase both in the same 12-month period. Your frequency period begins on January 1 (calendar year basis).

## **Vision Benefits**

## Make the most of your Cigna Vision Plan

With your Cigna Vision plan, you and your covered family members have convenient access to quality vision care, including coverage for routine eye exams and, in many cases, glasses and/or contact lenses. We're here to help you make the most of it all.

### Get routine eye exams for you and your dependents

Your routine eye exam is one of the easiest ways to help catch health issues – such as glaucoma, cataracts, and age-related macular degeneration – before they become more serious and costly. Quick tip: It's important to get your eyes dilated during your exam. This can help spot certain eye diseases, including the early stages of diabetes.

Children may get a vision test at school or their pediatrician's office, but these exams might not catch a serious eye disorder. That's why it's important to have your child visit an eye doctor, such as an optometrist or ophthalmologist. These specialists can help check your child's vision and eye health. Did you know? One in four children has a vision problem that can affect their learning.

## Stay In-Network

You'll save the most money if you pick an eye doctor from Cigna Vision's large network. And you'll have lots of choices. Keep in mind: If you choose a doctor who's not in the network, you'll have to pay the total amount due at your appointment. To get reimbursed, you'll need to submit a Cigna Vision claim form with an itemized receipt. You can find the claim form on myCigna.com® on the "Forms Center" page. The whole amount may not be covered. You're responsible for paying any charges not covered under your plan.

### **Have Questions?**

Our customer service representatives can help you find a doctor and answer any questions about coverage and claims.

Call the toll-free number on your Cigna ID card to talk with a Cigna customer service representative anytime.

### Find an eye doctor

There are three easy ways to find a quality innetwork eye doctor in your area:

- 1. Go to myCigna.com > Coverage > Vision > Visit Cigna Vision > Find an eye care provider.
- If you don't have access to myCigna.com, go to myCigna.com® > Find a Doctor > Employer or School > Additional directories > Cigna Vision Directory (Serviced by EyeMed).
- Call the toll-free number on your Cigna ID card and talk with a Cigna customer service representative.

# **Digital Therapeutics Benefit**

## Overcome whatever life sends your way

iPrevail is a digital therapeutics platform, designed by experienced clinicians to help you take control of the stresses of everyday life and challenges associated with life's difficult transitions. 79% of participants saw improvement after engaging in their personalized programs.

### How does iPrevail work?

Using your computer or smartphone, start by signing up for iPrevail on myCigna.com.

- 1. Take an assessment: An easy intuitive process. See your results, then view what programs and support are right for you.
- 2. Start your program: Customized to meet your needs. Interactive video lessons, 1:1 coaching, support communities and online wellness activities. Engage at your own pace.
- 3. Earn rewards for getting healthier: We are invested in helping you build healthier habits and feel better. Earn points toward Amazon gift cards on iPrevail.
- 4. Health maintenance: Enroll in additional health programs. Continue connecting with coaches and other users in lively support communities.

## How frequently should I use iPrevail?

For peak results, iPrevail recommends you complete one level per week. Each level should take about 15 minutes.

### Is there science behind iPrevail?

iPrevail's digital therapeutic programs were developed by health care providers. Over the years, iPrevail has conducted many clinical trials. iPrevail is designed to decrease feelings of post-traumatic stress disorder, anxiety, and depression. iPrevail was originally created to help the U.S. military servicewomen and servicemen overcome trauma experienced while serving our nation.

## Why does this matter?

Your emotional health can impact your overall health and wellbeing. It can also affect your friends and loved ones. With iPrevail, you can get help overcoming stress, anxiousness, loneliness, and more. iPrevail provides tools and support to help you manage and control your thought patterns and emotions, with the goal of improved relationships and a happier, stronger you.

#### iPrevail helps you:

- Overcome feelings of anxiety and loneliness
- Reduce negativity and feelings of depression
- Decrease stress from relationships, work, school, and daily life.
- Builds resilience and positivity

## **Behavioral Health Resources**

## Get relief to lead your life

# Life demands taking their toll:

- Maggie, single mom, has two teenagers, including a son with special needs.
- Added responsibilities of demanding job leave her isolated, and physically and emotionally drained.
- Decides to speak with someone about depression.

#### Finding support on MyCigna:

- Clicked on "Therapist" option on myCigna.com.
- Picked depression as treatment area and given option to select from virtual or in person.
- Chose virtual and found resources, along with estimated costs, including:
- Talkspace licensed therapists and psychiatrists available via live video and texting.
- Cigna's Network with mental health providers who offer virtual, as well as in-person, visits.
- MAP Health 24/7 on-demand access to peer support services.

# Developing coping strategies with Talkspace:

- Chose Talkspace, downloaded the app and registered for services.
- Completed
   QuickMatch
   questionnaire
   and selected
   a licensed
   therapist.
- Attend regular video sessions and used the app's text function, both of which helped her work through issues and develop coping strategies.

## What can we do for you?

Log in to myCigna.com to find the tools and resources you need to improve your emotional health.

Under the "Find Care & Costs" tab, select "Doctor by Type" and "Behavioral Health Counselor." From there you can:

- See a local provider: Search the directory to find an in-network behavioral health provider.
- Go virtual: Find resources for on-demand behavioral health support.

Have more questions? You can call us at the number on the back of your Cigna ID card 24/7/365.

# **Health Reimbursement Arrangement**

## City of Forest Park HRA

Employees enrolled in one of our Cigna Medical plans are eligible to participate in the City of Forest Park Health Reimbursement Arrangement (HRA) administered by Medcom.

An HRA is an employer-funded health benefit plan that reimburses employees for specified amounts of their out-of-pocket medical expenses. You don't have to report your participation in an HRA on your tax return. The amount your employer is willing to reimburse you for medical expenses through an HRA is not considered taxable income, nor are the actual amounts reimbursed, as long as you put the money toward qualified medical expenses.

### How the HRA works

No expense is too small. It is simple to file your claim for reimbursement, as illustrated on this page. You can submit your claim to Medcom on their website portal, by e-mail, or by downloading their app to your smartphone. Medcom will often be able to verify your claim automatically, but sometimes you'll need to submit an itemized bill from your healthcare provider to substantiate your claim.

- 1. Services are rendered by a health professional
- 2. The claim is submitted to Cigna by the service provider
- 3. Cigna processes the claim and sends an Explanation of Benefits (EOB) to the member.
- 4. If the EOB shows the charges for the services rendered went toward your In-Network Deductible, submit the EOB to Medcom.

Medical Plan	In-Network Deduction	HRA Reimbursement	Your Deductible Expense after HRA Reimbursement
LocalPlus	\$500 Individual \$1,500 Family	\$500 Individual \$1,500 Family	\$0
OAPIN	\$1,000 Individual \$3,000 Family	\$500 Individual \$1,500 Family	\$500 Individual \$1,500 Family
OAP	\$500 Individual \$1,500 Family	\$500 Individual \$1,500 Family	\$0

## Life and AD&D Benefits

## Employer-paid basic life and AD&D

The City of Forest Park provides full-time employees with Basic Term Life and Accidental Death & Dismemberment (AD&D) benefits administered through Lincoln Financial. These benefits are provided at no cost to all eligible full-time employees.

## Value Added Programs

The following programs are provided to you through Lincoln Financial Group at no cost:

LifeKeys Services

LifeKeys will assist with will preparation and identity theft and provides services to your beneficiaries to help them for up to one year after a loss with counseling, financial services, support with day-to-day concerns, and legal support.

LincolnBenefits.com (WebID = LifeKeys)

Call Lincoln Financial at 855-891-3684.

**TravelConnect Services** 

Whether traveling for business or leisure, any time you are more than 100 miles from home, TravelConnect services are available 24/7. Services include medical evacuation, family member transportation, transportation after stabilization, repatriation, and medical assistance.

Call MEDEX at 410-453-6330 (ID 322541).

Reminder: Make sure your beneficiary designation is up to date. Contact HR if any changes are needed.

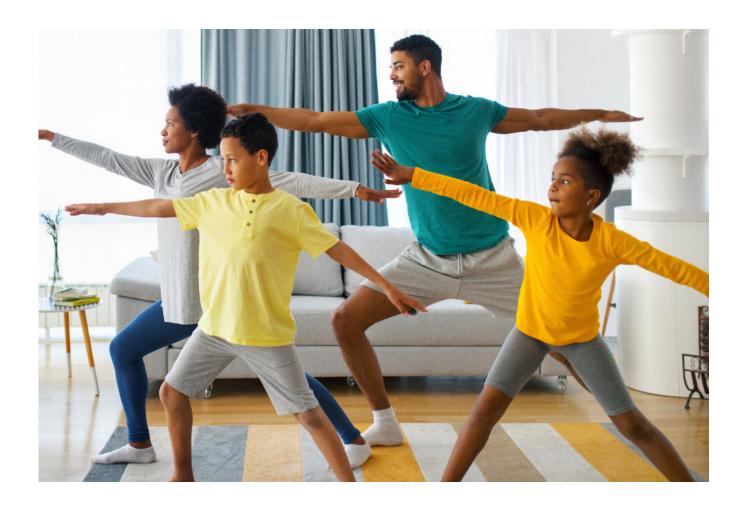

- If you fail to keep your beneficiaries updated or make a mistake in documenting them, someone other than who you intended may receive your assets or policy proceeds. This is why carefully designating and remembering to update beneficiaries is important.
- Your beneficiary can be a person, a charity, a trust, or your estate.
- Children under the age of 18 can be named as a primary or contingent beneficiary.
  However, if you were to die while they are still minors, the proceeds may be sent in
  their name to the legal guardian of the minor child's estate. If you want the payout used
  for their benefit while they are still children, you may want to set up a trust or custodial
  arrangement.

# **Contribution Summary**

## Weekly Payroll Deductions

The City of Forest Park contributes to the cost of medical coverage for all eligible employees. For an additional premium, employees can add dependent coverage. Please refer to the chart below for your 2023-2024 payroll deductions.

Benefit Plan	Employee Only	Employee +1	Family
Medical Option 1 Local Plus & Dental	<b>\$0</b>	\$10.50	\$13.00
Medical Option 2 OAPIN & Dental	\$10.00	\$17.00	\$20.00
Medical Option 3 OAP& Dental	\$24.00	\$62.00	\$81.50
Vision Plan	<b>\$0</b>	\$1.00	\$2.56
Life / AD&D	The City of Forest Park pays 100% of the premium.

This guide provides a summary of your employee benefits rights and regulations as determined by Federal and State laws.

Information in this guide includes the following:

- Special Open Enrollment Rights
- General Notice of the Cobra Continuations Rights (COBRA)
- Newborns' and Mothers' Health Protection Act
- Premium Assistance Under Medicaid and CHIP
- · Women's Health and Cancer Rights Act
- The Generic Information Nondiscrimination Act of 2008 (GINA)

- PPACA Compliment Plan Notice
- PPACA Compliant Plan Notice
- USERRA Notice
- Health Insurance Marketplace Notice
- Notice of Creditable Prescription Drug Coverage
  - CMS
- HIPAA Privacy Notice

#### Special Open Enrollment rights

This notice is being provided to insure that you understand your right to apply for group health insurance coverage. A special enrollment period is a time outside of the annual open enrollment period during which you and your family have a right to sign up for health coverage. In the Marketplace, you qualify for a special enrollment period 60 days following certain life events that involve a change in family status (for example, marriage or birth of a child) or loss of other health coverage. Job-based plan must provide a special enrollment period of 30 days. Some events will require additional documentation to be submitted with the application at the time of enrollment. You should read this notice even if you to waive coverage at this time.

#### Marriage, birth, or adoption

If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, or placement for adoption.

### Loss of other coverages

If you are declining coverage for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

#### Medicaid or CHIP

If you or your dependents lose eligibility for coverage under Medicaid or the Children's Health Insurance Program (CHIP) or become eligible for a premium assistance subsidy under Medicaid or CHIP, you may be able to enroll yourself and your dependents. You must request enrollment within 60 days of the loss of Medicaid or CHIP coverage or the determination of eligibility for a premium assistance subsidy.

To request special enrollment or obtain more information, please contact HR.

#### COBRA Continuation of Coverage

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator. For additional information regarding COBRA qualifying events, how coverage is provided and actions required to participate in COBRA coverage, please see your Human Resources department.

#### Newborns' and Mothers' Health Protection Act

The group health coverage provided complies with the Newborns' and Mothers' Health Protection Act of 1996. Under this law, group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

#### Premium Assistance under Medical and CHIP

If you or your children are eligible for Medicaid or CHIP (Children's Health Insurance Program) and you are eligible for health coverage from your employer, your state may have a premium assistance program that can help you pay for coverage. These states use funds from their Medicaid or CHIP programs to help people who are eligible for employer-sponsored health coverage but need assistance in paying their health premiums. If you or your dependents are already enrolled in Medicaid or CHIP you can contact your state Medicaid or CHIP office to find out if premium assistance is available. If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your state Medicaid or CHIP office or dial 1-877-KIDS-NOW or www. insurekidsnow.gov to find out how to apply. If you qualify, you can ask the state if it has a program that might help you pay the premiums for an employer-sponsored plan. Please see Human Resources for a list of state Medicaid or CHIP offices to find out more about premium assistance.

### Women's Health and Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for: All stages of reconstruction of the breast on which the mastectomy has been performed; Surgery and reconstruction of the other breast to produce a symmetrical appearance; and Prostheses and treatment of physical complications of the mastectomy, including lymphedemas. These benefits will be provided subject to deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. If you would like more information on WHCRA benefits, call your plan administrator.

#### Genetic Information Nondiscrimination Act - GINA

The Genetic Information Nondiscrimination Act (GINA) prohibits health benefit plans from discriminating on the basis of genetic information in regards to eligibility, premium and contributions. This generally also means that private employers with more than 15 employees, its health plan or "business associate" of the employer, cannot collect or use genetic information, including family medical history information. The once exception would be that a minimum amount of generic testing results may be used to make a determination regarding a claim.

You should know that GINA is treated as protected health information (PHI) under HIPAA. The plan must provide that an employer cannot require that you reveal whether or not you have had genetic testing; nor can your employer require that you participate in a genetic test. An employer cannot use any genetic information to set contribution rates or premiums.

#### **USERRA** Notice

The Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) established requirements that employers must meet for certain employees who are involved in the uniformed services. In addition to the rights that you have under COBRA, you (the employee) are entitled under USERRA to continue the coverage that you (and your covered dependents, if any) had under the company plan.

You have rights under both COBRA and USERRA. Your rights under COBRA and USERRA are similar but not identical. Any election that you make pursuant to COBRA will also be an election under USERRA, and COBRA and USERRA will both apply with respect to the continuation coverage elected. If COBRA and USERRA give you different rights or protections, the law that provides the greater benefit will apply. The administrative policies and procedures described in the attached COBRA Election Notice also apply to USERRA coverage, unless compliance with the procedures is precluded by military necessity or is otherwise impossible or unreasonable under the circumstances.

#### **USERRA Definitions**

"Uniformed services" means the Armed Forces, the Army National Guard, and the Air National Guard when an individual is engaged in active duty for training, inactive duty training, or full-time National Guard duty (i.e., pursuant to orders issued under federal law), the commissioned corps of the Public Health Service, and any other category of persons designated by the President in time of war or national emergency.

"Service in the uniformed services" or "service" means the performance of duty on a voluntary or involuntary basis in the uniformed services under competent authority, including active duty, active and inactive duty for training, National Guard duty under Federal statute, a period for which a person is absent from employment for an examination to determine his or her fitness to perform any of these duties, and a period for which a person is absent from employment to perform certain funeral honors duty. It also includes certain service by intermittent disaster response appointees of the National Disaster Medical System.

### **Duration of USERRA Coverage**

General Rule: 24-Month Maximum. When a covered employee takes a leave for service in the uniformed services, USERRA coverage for the employee (and covered dependents for whom coverage is elected) can continue up to 24 months from the date on which the employee's leave for uniformed service began. However, USERRA coverage will end earlier if one of the following events takes place:

A premium payment is not made within the required time; You fail to return to work or to apply for reemployment within the time required under USERRA (see below) following the completion of your service in the uniformed services; You lose your rights under USERRA as a result of a dishonorable discharge or other conduct specified in USERRA.

### Notice of Privacy Provision

The Notice of Privacy Practices (the "Notice") describes the legal obligations of the City of Forest Park (the "Plan") and your legal rights regarding your protected health information held by the Plan under the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Health Information Technology for economic and Clinical Health Act (HITECH Act). Among other things, this Notice describes how your protected health information may be used or disclosed to carry out treatment, payment, or health care operations, or for any other purposes that are permitted or required by law. We are required to provide this Notice of Privacy Practices to you pursuant to HIPAA.

The HIPAA Privacy Rule protects only certain medical information known as "protected health information." Generally, protected health information is health information, including demographic information, collected from you or created or received by a health care provider, a heath care clearinghouse, a health plan, or your employer on behalf of a group health plan, from which it is possible to individually identify you and that relates to:

- Your past, present, or future physical or mental health or condition;
- · The provision of health care to you; or
- The past, present, or future payment for the provision of health care to you.

If you have any questions about this Notice or about our privacy practices, please contact your Human Resources department. The full privacy notice is available with your Human Resources Department.

## **Important Information Medicare**

#### Notice about your prescription drug coverage and Medicare

Please read this notice carefully and keep if where you can find it. This notice has information about your current prescription drug coverage with The City of Forest Park and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

- Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage
  if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers
  prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some
  plans may also offer more coverage for a higher monthly premium.
- The City of Forest Park has determined that the prescription drug coverage offered by the Cigna OAPIN and Cigna OAP Option 2 LFP medical plans are, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

### What happens to your current coverage if you decide to join a Medicare drug plan?

If you are eligible for Medicare, you can retain your existing group coverage and choose not to enroll in a Medicare prescription drug plan, or you can enroll in a Medicare prescription drug plan as a supplement to, or in lieu of, the group coverage. If you enroll in a Medicare prescription drug plan and keep your existing group coverage, you and your eligible dependents will be eligible to receive all of the group plan's prescription drug benefits. Your group health plan will coordinate benefits with the Medicare drug plan. Your Medicare prescription drug plan will be the primary payee on prescription drug claims and your group health plan will be the secondary payee on prescription drug claims.

### When can you join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

### When will you pay a higher premium (penalty) to join a Medicare drug plan?

You should also know that if you drop of lose your current coverage with the City of Forest Park and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

# **Important Information Medicare**

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have coverage.

For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage

# For more information about this notice or your current prescription drug coverage, contact your carrier.

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans. For more information about Medicare prescription drug coverage visit www.medicare.gov. Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 7-800-772-1213 (TTY 1-800-325-0778).

#### Note:

You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through the City of Forest Park changes. You also may request a copy of this notice at any time.

#### Remember:

Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

# **Health Insurance Marketplace**

#### Part A: General Information

Under the provisions of the 2014 Affordable Health Care Act there is a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

#### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in November of each year for coverage starting as early as December 1st.

#### Can I save money on my health insurance premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if our employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

# Does employer health coverage affect eligibility for premium savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.

\*\*If you purchase a health plan through the Marketplace instead of accepting health coverage by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution - as well as your employee contribution to employer-offered coverage - is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

### How can I get more information?

For more information about your coverage offered by your employer, please check your summary plan description. The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit www.healthcare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

# **Health Insurance Marketplace**

#### Part B: Info about health coverage offered by your employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer Name:	4. Employer Identification Number (EIN)		
The City of Forest Park	58-6002562		
5. Employer Address:	6. Employer Phone Number		
745 Forest Parkway	404-608-2347		
7. City	8. State	9. Zip Code	
Forest Park	GA	30297	
10. Who can we contact about health coverage at this job? Shalonda Brown			
11. Phone Number (if different from above)	12. Email Address sbrown@forestparkga.org		

Here is some basic information about health coverage offered by this employer:

As your employer, we offer a health plan to:

All employees. Eligible employees are:

Active full-time employees working 30 or more hours a week.

Some employees. Eligible employees are:

With respect to dependents:

We do offer coverage. Eligible dependents are:

Active full-time employees working 30 or more hours a week.

We do not offer coverage.

If checked, this coverage meets the minimum value standard and the cost of this coverage to you is intended to be affordable, based on employee wages.

If you decide to shop for coverage in the Marketplace, Healthcare.gov will guide you through the process. Here's the employer information you'll enter when you visit to find out if you can get a tax credit to lower your monthly premiums.

<sup>\*\*</sup>Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through Marketplace. The Marketplace will use your household income, along with other factors, to determine wheter you may be eligible for a premium discount. If for example, your wages vary from week to week (perhaps your are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.
